

REMARKS

Claims 1-24, 27-33, 35-41, 44-62, 69 and 70 remain pending in the application and are allowed. Claim 34 is objected to, but it is amended by this response overcoming the noted objection. Claims 25, 26, 34, 42, 43, 63, 66-68 and 80-84 are canceled, without prejudice to refilling these claims in a later application. Claim 66 is amended to delete the redundant "comprising."

The application as a whole being in condition for allowance, such action is requested.
